Market Outlook: Quarterly Research Insights into the Changing Landscape of Small Business

December 2021

Research Overview

Objectives/Approach

The ADP Research Institute, in partnership with the ADP Corporate Market Insights team surveyed ADP's small business clients on the changing landscape of business conditions. This is the second quarterly pulse study.

Quantitative:

10-minute online survey

Field Dates:

Wave 1: May 10 – 25, 2021

Wave 2: August 19 – September 13, 2021

Wave 3: December 2 – 31, 2021

Who?

ADP Clients: Small business clients.

A representative sample was pulled and deployed by size segment and region to ensure a representative view of ADP's small business segment.

	Wave 1	Wave 2	Wave 3
1-49 EE	2,058	2,116	1,834
1 - 4 EE	1,067	1,118	866
5 - 9 EE	481	447	414
10-24 EE	404	397	413
25-49 EE	106	154	141
50-499 EE	NA	179	179
50-150 EE		114	126
151-499 EE		65	53

Finding's stat tested @ 95%

Executive Summary

Employee Retention

 Finding qualified employees remains the key challenge of all ADP Small Business clients and increases dramatically with company size.

Wages

Like September, virtually no clients are planning to decrease employee wages in the next 6 months.

Employee Work Location

Four out of five companies with remote employees, feel they are managing remote employees well, believe
they are doing a good job keeping remote employees engaged and think their employees are engaged

Prices and Revenues

- Less than half of clients have had to raise the prices they charge their clients but among those who have, twothirds indicate the increases are permanent.
- 29% of companies report an increase to raise prices in the next 6 months while 37% of companies are unsure what they will do in the next 6 months
- Less than half of clients have had to raise the prices they charge their clients but among those who have, twothirds indicate the increases are permanent.

Challenges Business is Currently Facing

1-49 EEs

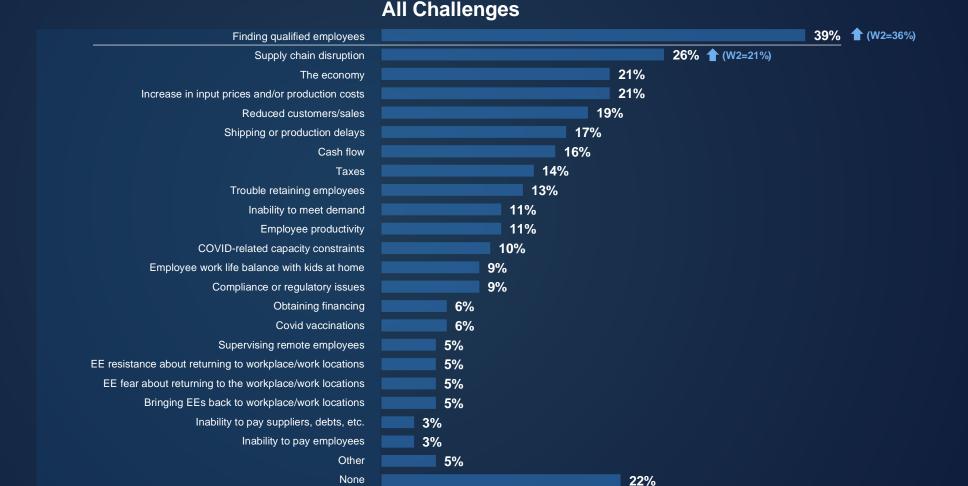

Finding qualified employees remains the overwhelming challenge facing small businesses.

The challenge caused by **Supply chain disruptions** continues to increase for small businesses with more than a quarter citing it as challenge and nearly one-fifth indicating it is a top challenge.

Challenge: 17% → 21% → 26%

Top: 12% → 15% → 19%

Q7. What challenges is your business currently facing?

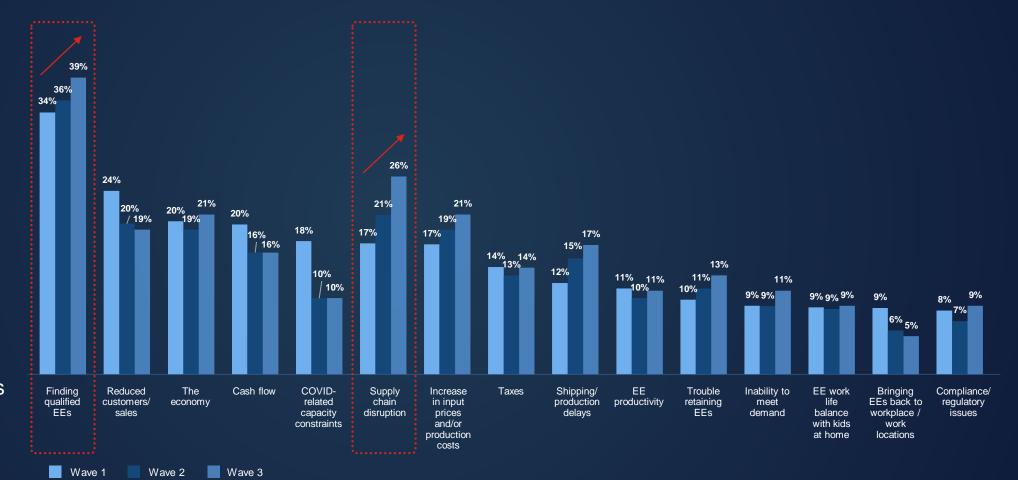

Q8. You indicated that the following are challenges your business is currently facing. What are the biggest challenges your business is currently facing? (Please rank your top 3 challenges)

Finding qualified employees has increased significantly as a key challenge for small businesses from 3 months ago – nearly 2 out 5 cite it as a top business challenge.

Supply chain disruption continues to see significant increases wave over wave.

Challenges Business is Currently Facing

Finding qualified employees remains a key challenge all small businesses are facing and becomes more challenging as company size increases.

Employee retention

continues to be more of a challenge in larger companies (25-499) with a third of companies with 50-499 citing it. Of note, now one-fifth of companies with 10-24 employees cite it (compared to only 14% in the prior wave).

Number of Employees

Larger companies are far more likely to have increased the number of employees in the past 6 months and plan to increase in the next 6 months.

Of note, companies with 10-24 and 25-49 employees are far more likely to be planning to increase in the next 6 months than they were 3 months ago (reverting back to planned increases cited 6 months).

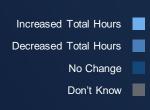

Number of Hours Worked by Employees

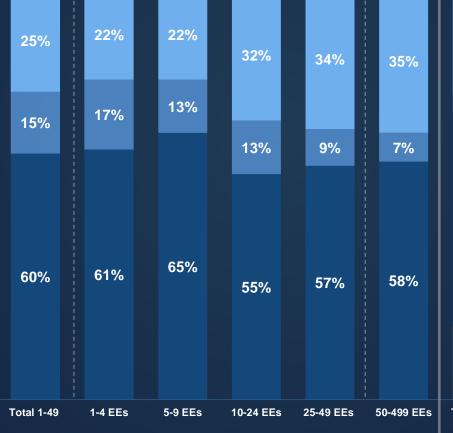

Overall, the majority of small businesses have not changed the number of hours worked by employees in the past 6 months and many have no plans to do so in the next 6 months.

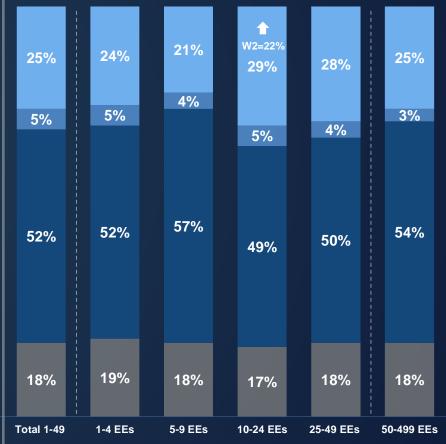

Companies with 10-499 employees are more likely to have increased hours and are more likely to be planning on increasing in the next 6 months.

Increased or Decreased # of EEs in Past 6 Months

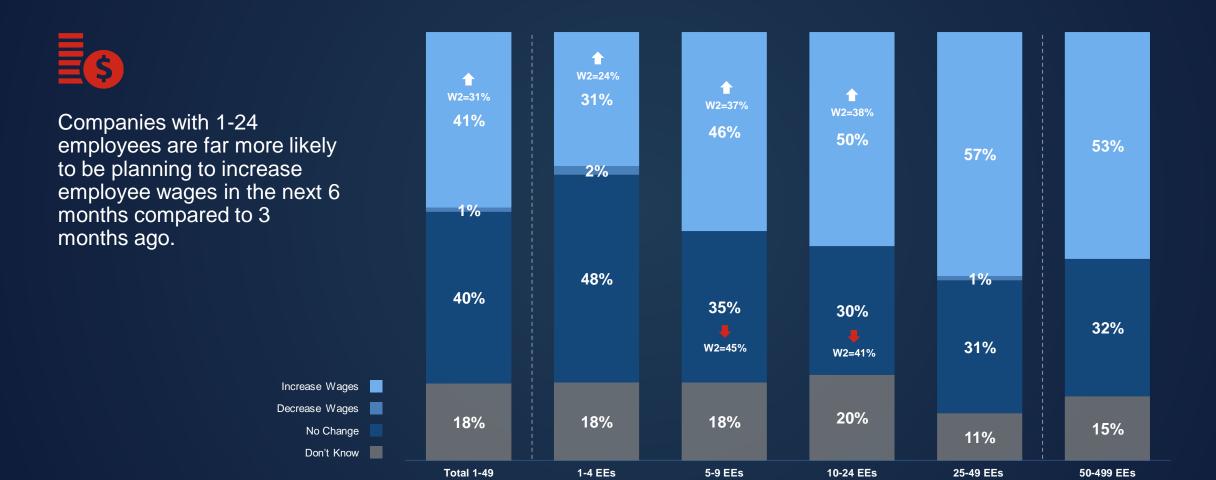

Plan to Increase or Decrease # of EEs in Next 6 Months

Q11. In the past six months, has your company increased or decreased the total number of hours worked by employees?
Q12. In the next 6 months, does your company plan to increase or decrease the total number of hours worked by employees?

Increase or Decrease Wages in the Next 6 Months

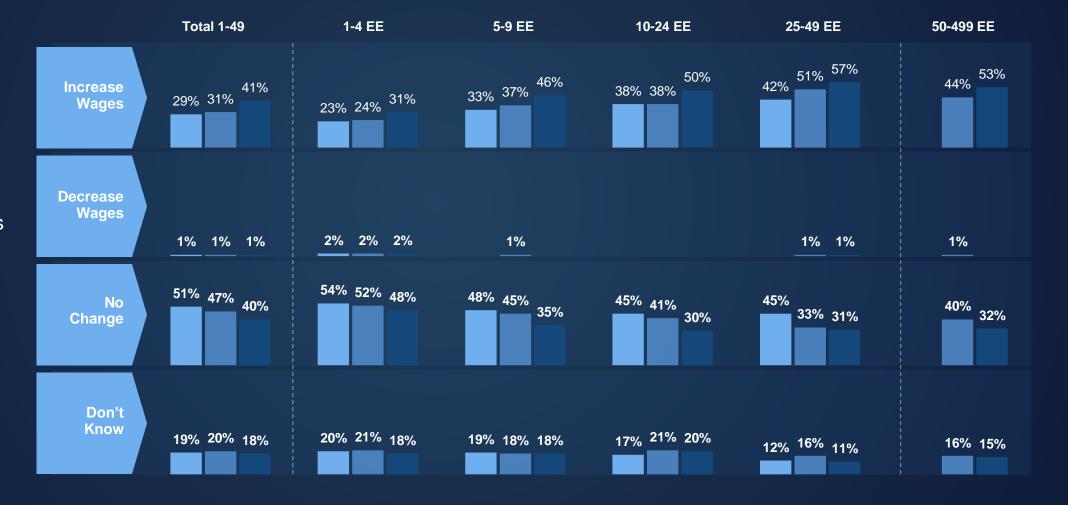

Increase or Decrease Wages in the Next 6 Months

Overall, clients are trending upwards when it comes to plans to increase employee wages in the next 6 months.

Q2 2021 Q3 2021 Q4 2021

Other Actions Taken in Past 6 Months

The issuing of increased pay/special bonuses is far more prevalent among companies with 5 or more employees.

Implemented health checks and requiring/ encouraging work from the office was far more common among the largest companies (50-499 employees).

Employee Work Location

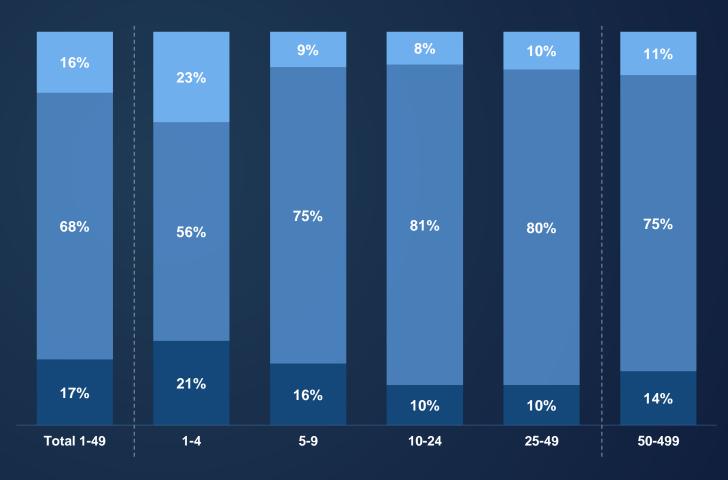

Consistent with stats from 3 months ago, about six out of ten clients with 1-49 employees indicate their employees are onsite only. Half of clients with 50-499 employees indicate they have employees working some days remote and some days onsite.

Two-thirds of small business clients are on-site only. An equal percent on remote only or hybrid (some day onsite and some days remote).

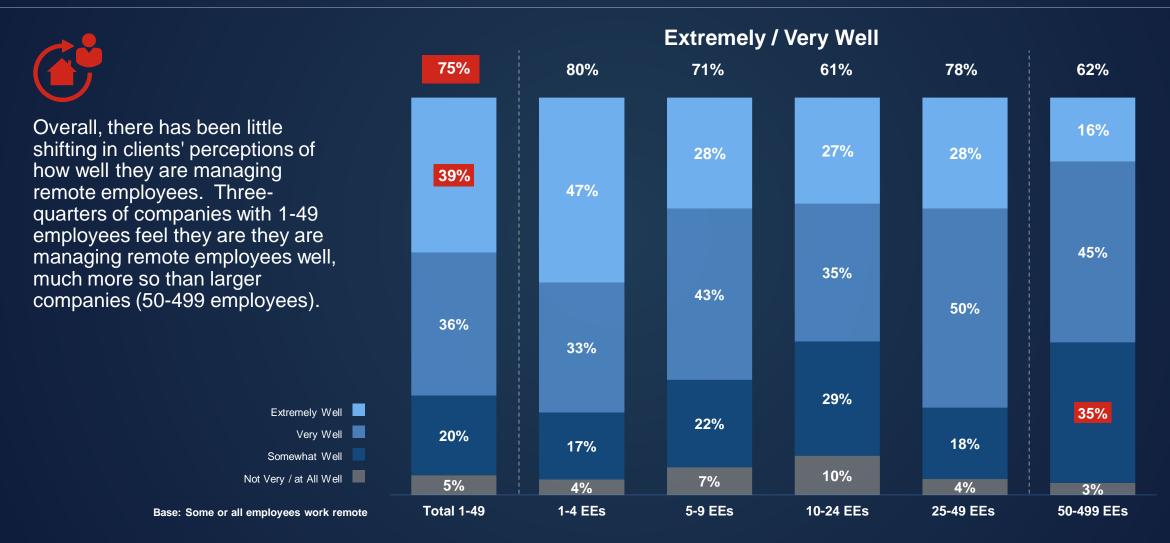

% of EEs Working Remotely vs. On-Site vs. Hybrid

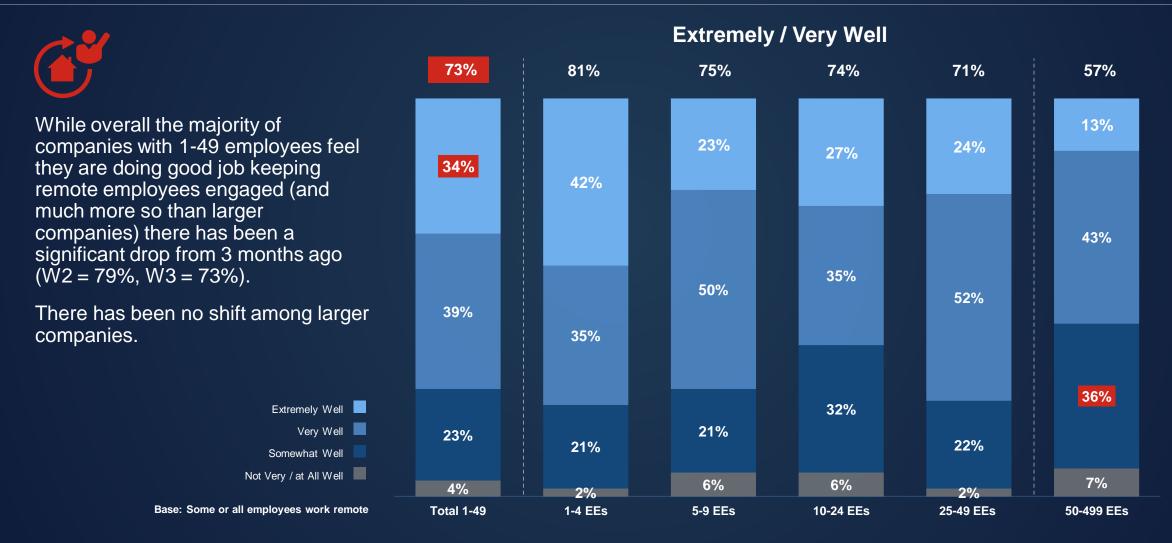

How Well Company Manages Remote Employees

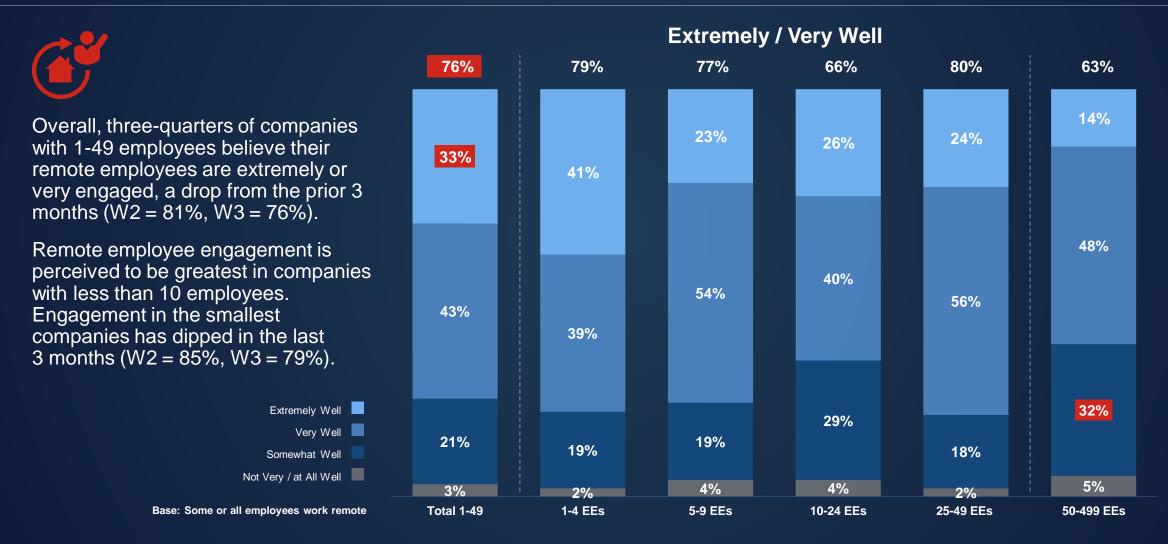

How Well Company Keeps Remote Employees Engaged

Rating Remote Employee Engagement

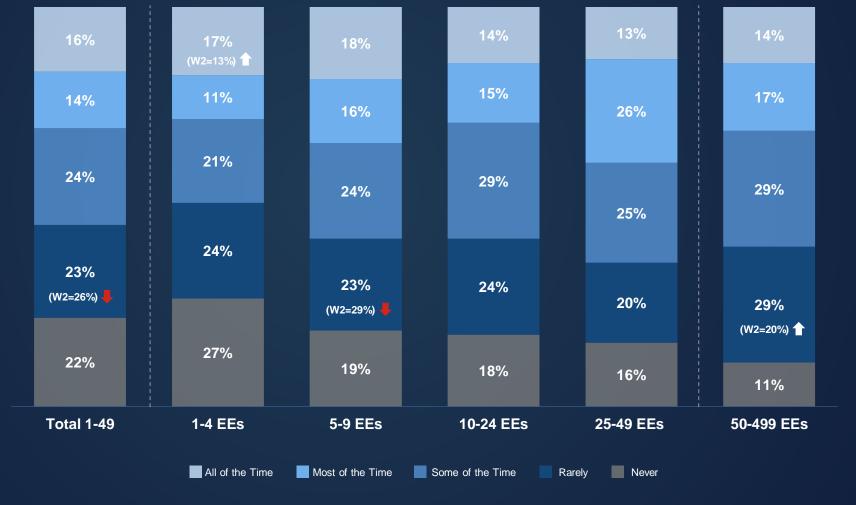

Reliance on Accountant to Navigate Covid-19 Legislation

Small businesses don't rely on their accountant for help navigating COVID-19 legislation very often.
